Subject: **Grant of Accreditation**

Dear Sir,

NABL is pleased to grant accreditation in accordance with ISO 15189:2012 in the field of Medical testing for the discipline of Clinical Biochemistry as per the scope recommended by the assessment team.

Dr Mihir Icecreamwala proposed by the laboratory to review the results and authorize the release of reports of Clinical Biochemistry is accepted.

Laboratory to nominate backup person to review the results and authorize the release of reports of Clinical Biochemistry.

With respect to the personnel to review the results and authorize the release of reports, it is the responsibility of laboratory to abide by the National/ Regional/ State/ Local regulatory requirements/ Acts/ Rules/ Legal orders/ Court Decisions/ Orders issued by Government/ Statutory Bodies as applicable and effective from time to time.

Certificate No for your laboratory is MC-5399, Issue date: 10.11.2022, Validity date: 09.11.2024.

Onsite surveillance will be conducted for the laboratory in first year of your accreditation cycle.

Your laboratory is also required to follow NABL 133 for use of NABL Symbol and claim of accreditation to maintain the accreditation.

Yours Sincerely,
Avantika Tripathi
